Welcome to the Research Data Management Service Group's
January 2023 Newsletter
Comprehensive Data Management Planning & Services
The Research Data Management Service Group (RDMSG) is a collaborative, campus-wide organization of service providers that offer workshops and trainings each semester to meet faculty, staff, and student's research data needs. This includes finding data, data organization, analysis, publishing, and archiving.

Call for Applications: Cornell Summer Graduate Fellowship in Digital Humanities
Taking place over six weeks, June 5 – July 14, 2023, Summer DH, the Summer Graduate Fellowship in Digital Humanities, supports a small interdisciplinary cohort of Cornell graduate students who together investigate approaches to digital scholarship through collaborative workshops, readings, discussion, and co-working on independent projects. The fellowship is a project of the Digital CoLab at Olin Library.
Express interest by March 1, apply by April 1; find full details here.
Sponsored by Cornell University Library & the Society for the Humanities

Hold the date! Love Data Week February 13-17

A week of workshops and networking opportunities focused on data access, analysis, discovery, management, sharing, and preservation sponsored by Cornell University Library and the Research Data Management Service Group.

More than 50 TA positions open at ICPSR!
The ICPSR Summer Program in Quantitative Methods is hiring 50+ teaching assistants for 2023!
There are two different kinds of openings, depending on teaching experience:
General positions for those with prior teaching experience
Introductory positions for first-time teaching assistants
The hourly rate is $34.69, in-person only in Ann Arbor, MI.
Deadline to apply is January 23, 2023.

What Makes Box Right for Your Storage Needs?
Part of a series about file storage at Cornell, this article looks at Box cloud storage. Box has the flexibility for offline and online file editing, many levels of collaboration, and is suited to house specific regulated data at Cornell. Learn more about personal Box storage at Why Use Box?

Greater access to government data
Last month, the US Government launched ResearchDataGov, a web-based services that allows researchers to request access to over 1000 protected data sets from 16 agencies within the Federal Statistical System. Learn more.

Schedule a Consultation

RDMSG consultants are available year-round to answer questions and help with data-related problems.

We can meet via Zoom, email, or phone. Send a request to rdmsg-help@cornell.edu to arrange a consultation at a time that works for you.
