

Welcome to the Research Data Management Service Group's June Newsletter

Comprehensive Data Management Planning & Services

We're taking the summer off - enjoy the summer, get outside, research adventures, see you in the fall.

IN THIS NEWSLETTER:

- [Preparing FAIR data](#)
- [Upcoming webinars, training, and conferences](#)
- [Funders and publishers news](#)

Spotlight

Preparing FAIR data for reuse and reproducibility

Research funders are increasingly encouraging sharing of data associated with research that is machine-readable consistent with the FAIR Data Principles. [Learn more](#) from our new page on the RDMSG website.

Webinars | Conferences | Trainings

ICTeSSH 2021 (Information Communication Technologies enhanced Social Science and Humanities)

The virtual three-day online conference will be FREE TO ATTEND thanks to the conference sponsors and will be held on June 28 - 30, 2021. Open to SSH researchers, computer scientists, informaticians, publishers, librarians, vendors of research ICT tools, SSH decision-makers, and others. [Register here](#).

DataOne licensing discussion

DataOne has shared these presentation materials from their licensing discussion. [Learn more](#).

NIH Data Sharing and Reuse Seminar Series

The series highlights research projects reusing data. [Learn more](#).

CIT Training: Learning Path--Big Data Basics

This learning path covers the essential knowledge organizations need to understand what big data is, the advantages it offers, and the fundamental ways it can be used to benefit your organization. Cornell students, faculty, and staff have access to free online training via Skillssoft at [Cornell.Skillport.com](https://cornell.skillport.com).

NIEHS webinar series on data sharing

The three-part webinar series tackles key aspects of data sharing in environmental health sciences research and features several exciting talks. [Learn more](#).

RDA Libraries for Research Data IG webinar

This 1-hour webinar will explore outcomes from the RDA Libraries for Research Data (L4RD) Interest Group with presentations describing the initiatives that developed the outcomes, the impact they have made, and will also explore related initiatives that have benefited from these outcomes. [Learn more.](#)

Digital Humanities Summer Institute

A Place for Open Digital Scholarship. The Digital Humanities Summer Institute (DHSI) is an annual digital scholarship training institute that takes place at the University of Victoria. [Learn more.](#)

GO FAIR, FAIR Festival

A virtual round-up of the community for three half days to celebrate the FAIR shift in research data management. [Learn more.](#)

NIH Health Disparities Codethon, NIH Office of Data Science Strategy (ODSS)

The National Institutes of Health Office of Data Science Strategy, in partnership with the Howard University Research Centers for Minority Institutions Program, is pleased to announce a virtual codeathon focused on health disparities on June 21-24. [Learn more.](#)

Funder and Publisher News

Learn about the SPARC tool for comparing sharing policies for [articles](#) and [data](#) for major US funding agencies.

NSF funding: Center for Advancement and Synthesis of Open Environmental Data and Sciences. [Learn more.](#)

In case you missed it

On June 15th G-Suite is moving to Shibboleth, which will allow DUO 2-factor sign-in for faculty, staff, and student users. [Learn more.](#)

A reminder, Box is cleaning up ownerless content through the summer. [Learn more.](#)

Schedule a Consultation

RDMSG [consultants](#) are available year-round to answer questions and help with data-related problems.

We can meet chat via Zoom, email, or phone. Send a request to rdmsg-help@cornell.edu to arrange a consultation at a time that works for you.
